

# GLOBAL HEALTHCARE PROVIDER DUBAI

## ABOUT US

Medilife Dubai – Where premium healthcare meets personalized wellness. Since 2016, we have been delivering trusted medical and wellness services through DHA-licensed specialists, offering IV therapy, PRP, vaccinations, blood tests at home, STD tests at home, NAD drip, hydrafacial, and advanced aesthetic treatments—right in the comfort of your home or at our clinics. As part of the Medilife Healthcare Group, a global organization dedicated to managing everyday medical needs, we bring world-class expertise with a chain of clinics, pharmacies, telemedicine, home healthcare, medical tourism, medical evacuation, and air ambulance services. With regional offices in London, Australia, and India, and our headquarters in Dubai, UAE, we are committed to accessible, high-quality, and personalized healthcare worldwide.
